

IGANGA, FIRST COMMUNITY VISIT

Through a large community of Albinos in Iganga district, we in 2018 identified a family taking care of a 6 months old albino whose mother passed on when she was 6 days.

IGANGA, BABY ALBINO

This beautiful baby was 6 months old when we visited to Her family in Iganga, we met them through Albino community that we brought together. Her mom passed on when she was 6 days old [May her soul rest in eternal peace]. Because she was born Albino, her father has never shown face since her birthday. She's currently being taken care of by 3 of her great grandmothers, all aged 76+

IGANGA, FIRST COMMUNITY VISIT

This was the home of the baby Albino and 33 other relatives.

In 2018 we successfully supported Feed the Streets Foundation in a Funding raising where we managed to build a permanent home for a 6 Months old albino whose mother passed on when she was 6 days and the father abandoned them the day he learnt that the late mom had given birth to an Albino child.
